

ZOOM MEETING MINUTES for the Buddhist Peace Fellowship Chicago Chapter
Thursday, February 8, 2024
Present: Jack, Charles, Kevin

CAPA Update:

A committee within CAPA has set up a protest plan, if the USA stages an attack on Iranian soil. Jack continues to try to tone down harsh/angry/presumptive language from some members (both verbal and written), and is having some good effect. CAPA National is soliciting for ideas. Jack notes the importance of continuing to keep pressure on one's elected officials, with phone calls or letters. Also can use the Chicago Area Peace Action (CAPA) letter writing tool, in support of stopping the killing in the Mideast:
