Most Recent CAPA Meeting:

Jack has continued to attend the Chicago Area Peace Action (CAPA) zoom meetings, and has continued to stay in contact with David Borris. The group wants to have a program on March 30th about nuclear disarmament and non-proliferation; in the planning stage now. Will be sponsored by U of Chicago, and will be held there (?) and on Zoom; check their website for developing details and/or get on their mailing list www.chipeaceaction.org. The next CAPA zoom meeting is Weds March 9th.

Rohingya Children's Education Petition:

Jack has been in contact with Tashi from the Tibet Shop in Evanston, and Tashi says he will try to get the Dalai Lama to sign our petition (in Dharamshala now). And otherwise we now have 194 signatures.

Ukraine Situation, Thich Nhat Hanh's Transformation:

We discuss the unfolding situation with the Russian invasion of Ukraine; we can look for local anti-invasion protests to attend. And also we discuss the recent transformation of Buddhist leader Thich Nhat Hanh, and the worldwide attention this news (and videos of his funerary services) received.
