

ZOOM MEETING MINUTES for the Buddhist Peace Fellowship Chicago Chapter
Thursday, June 13, 2024
Present: Dean, Charles, Taigen, Kevin

August 6th Hiroshima Remembrance Event:

We need Jack's input before proceeding, however based on last month's discussion, this year's Hiroshima Day should ideally be a peaceful and quiet event, especially considering that it comes right before the DNC Convention. How should we plan and participate? A suggestion is made to do it again in Evanston. We could create a handout with basic startling facts: a list of the number of nuclear treaties that have expired; a list of nuclear powers today and what their arsenals are, etc.

Notes/To Do:

- Kevin will respond to Shambhala's email request, to possibly have a meditation space during the DNC Convention. Charles will contact Kate from BPF National.
- Hozan Alan Senauke is doing better and gave a dharma talk on Zoom.
- The Republican national party convention is in Milwaukee, July 15-18, and the Democratic national party convention is in Chicago, August 19-22.
- Kevin will renew our website domain name for another year.

NEXT ZOOM MEETING:

July 11, 2024 (2nd Thurs of the month): 7:30pm; reminder and link to be emailed.
