

**ZOOM MEETING MINUTES for the Buddhist Peace Fellowship Chicago Chapter  
Thursday, December 8, 2022  
Present: Charles, Taigen, Jack, Dean, Alex, Kevin  
Facilitated by Dean, minutes by Kevin**

**Final Updates and 2023 Potential Projects:**

Jack attended an online zoom planning session with David (CAPA <[www.chipeaceaction.org/](http://www.chipeaceaction.org/)>), and Jeremy Love (Back from the Brink <[www.preventnuclearwar.org/](http://www.preventnuclearwar.org/)>). There were around 100 people on the call. They're trying to get the USA into a resolution to ban nuclear weapons. Charles suggests also staying connected with the Fellowship of Reconciliation <[www.forusa.org](http://www.forusa.org)>. We should stay involved with the anti-nuclear activities, as well as pro-immigrant and anti-violence actions. Taigen suggests that we try to do some seminars again (at DePaul, etc). See previous notes, regarding potential 2023 BPF Chicago activities. Alex recommends checking out <<https://borderlessmag.org/>> for info on Venezuelan immigrants; also there's a refugee family in his building, right now. Jack will check up on what BAC <[buddhistaction.org](http://buddhistaction.org)> is doing in NYC these days.

**Upcoming Actions:**

- The Parliament of World Religions will be held in Chicago in August 2023. The last one was 10 years ago. See <[parliamentofreligions.org/](http://parliamentofreligions.org/)> for more info.
- ADZG has a new temporary Zendo in Lincoln Square, check <[ancientdragon.org](http://ancientdragon.org)>.
